

# Pursuit of Balance

Life is difficult, at least up to the point when we can accept that fact and get on with it. So what is all of this talk about "balance"? If sobriety is working, we find that life gets fast, big, and rich.... then we are faced with "management problems". Life is about to become unmanageable yet again! Keeping balance between the many components of sober life seems like a cosmic existential game of whack-a-mole! Thank God we have sponsors and peers to help us sort it out.

I have come to find out that it really comes down to the practice (and art) of cultivating discipline. That's the good news!. That's also the bad news! Coming from a rather Germanic (alcoholic) family I would have told you that I have fantastic discipline. Various inventories show me that my favorite positive attribute just isn't so.... It turns out that I have the inherent discipline of a pre-adolescent teenager, that my willful whims and quirky feelings push me in all kinds of self-centered directions throughout each day. Sure gets in the way of anything that looks like discipline!

As fate would have it, we have a textbook that helps us master ourselves. Specifically, it's chapter 6 "Into Action"- 16 fast-paced pages that cover steps five through eleven. The "promises" on pages 83-84 (accurately) guarantee the results I can expect from following the spiritual path outlined in the book, and then the description of steps 10 and 11 tell me how to handle everyday life as a disciplined sober person. It emphasizes asking for God's help, often saying "thy will be done" throughout the day. The chapter ends by saying that "we alcoholics are undisciplined" (an understatement) and that we should allow God to work on that.

At first, it looked hopeless. As the years go by I find that life is smoother, more consistent, less chaotic, and more disciplined (but not rigid). It has required ongoing inventories, good sponsorship, prayer and meditation, and lots of patience. Furthermore, it's practicing steps 3, 7, and 11 that brings me in harmony with my loving Creator. Just can't wait to see how I turn out when I grow up!

## Tradition 7

The Steps are HOW IT WORKS.

The Traditions are WHY IT WORKS.

*"Every AA group ought to be fully self-supporting, declining outside contributions."*

There were many instances in the early years of AA when the founders hoped to make money or be gifted a substantial amount of money in order to ease the financial strain under which AA struggled. Fortunately, none of those windfalls came to pass. A small \$5000.00 donation was the final amount that John D Rockefeller and his wealthy friends agreed to give. Rockefeller was concerned that the brilliant successful effort to keep drunks sober might be corrupted by having too much money. Since that time, it has been the contributions of the sober drunks which supports all of AA's worldwide efforts. When the basket comes around, I try to remember my big "shotism" when I was still drinking. Then I give as though I wanted to impress the crowd at the bar. AA needs and deserves our strong support.

# Congratulations!

# Step 7

## *“Humbly asked Him to remove our shortcomings.”*

I considered myself a somewhat intelligent before I came into AA - but something about getting sober made me realize how much I didn't know or understand (don't think detoxing helped). By the time I came to Step 6 & 7 I had over a year and was beginning to open my mind to the idea of a "Power Greater than Myself", but what I had a difficult time was to figure out how "GOD" was suppose to remove these shortcomings.

The Big Book doesn't give much direction on this step. Which made me believe (remember I was new) that this was a simple step that took little effort.

My sponsor at suggested early on that I make a step study meeting a weekly tool in my recovery. It at this meeting where my mind started to comprehend this concept. Then my sponsor in her weekly sponsee meeting had us read and study "Drop the Rock". This was the game changer!

I've heard my entire life "GOD does for us what we cannot do for ourselves". Okay. Something took away my obsession and cravings for alcohol, so I can accept that. I couldn't do it, and HE could. I'm very grateful.

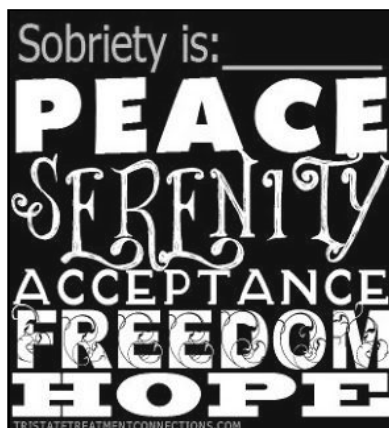

Previous steps helped me identify what my character defects and shortcomings are, so now I can figure out the opposite of those. Here is where my familiar saying took a shift "GOD does for ME what I cannot do for MYSELF ... BUT HE WILL NOT DO FOR ME WHAT I COULD AND SHOULD DO FOR MYSELF". Mind blown!

So it is MY responsibility to work towards the opposite of my defects, and with consistent effort I will be relieved of those behaviors and beliefs that no longer suit my lifestyle. GOD will not just simply grant my wish (or prayers) and wipe me clean of my glaring issues.

Finally I had a concept and a plan of action. With less confusion I found the willingness to take the first step, and I can tell you that it has been only a few years of consistent effort - and the old defects have been lessened. It was not magic, it was hard work. The more I put an effort forth, the easier it became. Consistency has been the key. I have become a more tolerant person, less quickly to anger and less judgemental. I still have these attributes, but when they raise their ugly head I feel uncomfortable with them and I am able to self correct more quickly. It isn't about perfections, after all!

It has been my experience that the more effort I put into my sobriety and following these simple steps the larger my happiness and serenity.

~Grateful for my Sobriety!

Hello everyone,

This year's **Founder's Day** celebration was a truly enjoyable event. Our theme was "Rule 62: Don't Take Yourself So Damn Seriously" and the addition of a photo booth, complete with outrageous props, was in keeping with the theme and a big hit! Harold I. had a wonderfully entertaining story and Bill C. did an excellent job as our history speaker. A huge thank you to all the volunteers who came together and invested their time and talents to make it such a memorable event. And a very special thank you to all the home groups whose contributions helped sponsor the event: **All Inclusive Solutions, By the Book, Downtown, Everything or Nothing, Eye Opener, 4<sup>th</sup> Dimension, Gratitude, New Freedom, Promises, TILIS Men's Group, Tuesday Night Step Study, and Women's Serenity Seekers**. Your support is very much appreciated!

We have been so fortunate to have had **Area Assembly** here for the past three and a half years. Next year, it will be moving to St. Augustine but we still have two more Assemblies here. Our next one will be held at the Wyndham Hotel on July 13<sup>th</sup> – July 15<sup>th</sup> and all are welcome to attend. This is a terrific opportunity to come together with about 400 fellow AA members from throughout North and Central Florida and learn more about service and how Alcoholics Anonymous works from the home group on up! All the service committees have workshops where you can learn more about what they do and help you find where you might like to serve.

Our **District 14 meetings** are held on the 2<sup>nd</sup> Wednesday of each month at 6 pm at *Westminster Presbyterian Church* on the corner of NW 34<sup>th</sup> Street and NW 16<sup>th</sup> Avenue. All committee chairs attend and are happy to answer your questions and welcome all who care to volunteer to serve on a committee. As always, please feel free to contact me with any suggestions of how we can better serve our fellowship.

*In love and service,  
Pati C, DCM for District 14, (352) 281-5751*

**NORTH CENTRAL FLORIDA INTERGROUP**

20 MAY 2018

**ATTENDANCE** – GN (chair), JVB (alt chair), SR (secretary), FS (office mgr), DO (POST), WM (webmaster), TR, KK, MP, TC, M, BK, RM, E, JS, JM, CH, AW, MB, PM, MR, NL, JS, BM (please note, IG reps present for BYOB and Keystone but signatures were illegible).

**MINUTES** – April minutes are on page 7 of the POST; read & approved.

**TREASURER'S REPORT** – FS presented the report (for PB), on page 8 of the POST; JM questioned the \$612 ytd for office supplies and was told that he could get a breakdown from the IG office if desired; approved.

**PHONE COMMITTEE** – SR presented (for SS), Stated currently no vacancies.

**POST** – DO presented, stated that she has someone interested in being Activities chair who will also do that section of the POST (to be presented formally next month); the POST still needs more writers.

**LITERATURE/MERCHANDISE** – FS stated that the office is fully stocked; a detailed inventory is currently in progress.

**WHERE & WHEN** – JM circulated a format that he proposes for use, states that it is less expensive than the booklet format under consideration (he did not have the actual cost), and that it has room for updates. The W/W on the website is up-to-date, and Fred S has a hard copy from the printer to proof. Further discussion deferred to Old Business.

**WEBSITE** – WM gave an update on the website; the online meeting schedule is up-to-date; changes can be submitted on-line or a form can be downloaded to submit a hard copy to the IG office. There is not an easily printable format available online; the old PDF format is about 5 pages. Notices and the change form are at the top of the webpage. Events that are posted drop off when they have expired.

**ACTIVITIES** – As previously stated, DO has a possible Activities chair to be presented next month; she will be suggesting that the Activities chair and the POST representative be combined. Founder's Day is on 6/9 at Trinity United Methodist Church, tickets are \$5 and it is requested that you bring a covered dish. The next organizational meetings are 5/29 and 6/5, 7pm at the Triangle Club.

**OLD BUSINESS** – GN clarified who could vote, only Intergroup reps or their alternates. (1) GN stated that the Steering Committee did not meet in May, but should be able to issue an update on their work in June. A draft of the new bylaws would be presented when complete. (2) Elections in June for Chair and Alternate Chair (pending updated bylaws, recommend 2 yrs of sobriety and previous IG experience), and he asked the reps to consider this important service position. (3) Discussion was opened regarding charging for the Where & When; issues were clarification that groups would pay the office for an order of W&W (eg \$0.35 each/\$3.50 for ten copies). Pros - many other places pay for the W&W, groups could make the purchase and then decide how they wanted to proceed (ie charge or give our for free), the 7<sup>th</sup> Tradition with regarding to being self-supporting and since IG is an "outside" entity we should be paying, the more attractive format, people would value them more if paying and not just grab copies to discard, the increase in the number of meetings over the past years and the need for a larger list, and that access is available for free via the website. Cons – other less expensive options like the one proposed by Jay M should be further considered, the W&W should not be used to generate income, not everyone has access to the internet. Rebuttal – this is not an income generating proposition but paying for a service per the 7<sup>th</sup> Tradition. Some attendees who had not previously been in attendance or had not had the opportunity to discuss with their groups requested postponing the vote, but it was noted that this had been an ongoing discussion. The motion to charge \$0.35 per W&W was reintroduced, seconded and passed (19 for, 3 opposed). WM reiterated that he is continuing to work on a format that is more easily viewable on a smart phone as well as a more easily printable format from the website. The procedure for groups to order the Where & When is in person at the IG office or by e-mail (gainesville.intergroup@gmail.com) by 6/1 so that they can be ordered from the printer; copies will be available for purchase at the Intergroup meeting and newcomers will be provided a copy at the IG office if they can't afford to pay.

**NEW BUSINESS** – (1) WM put forth RC as the alternate webmaster; RC introduced himself and gave his qualifications (sobriety date 10/24/07, webmaster for District); motion passed. (2) FS stated that the Gratitude Dinner will be at 6pm on Friday, 11/9/18 in a new venue; more information will be forthcoming.

**MEETING WAS ADJOURNED AT 2 PM. NEXT MEETING – SUNDAY 6/24/18 - 1PM AT SCHAEFFER HALL.**

**Workshops—** Emotional Sobriety conference – met with hotel and counter-offered the hotel's bid. Will present offer to committee.

**New Business—**Motion to merge District 14 web site with the local intergroup web site. Discussion: the district established its own web site two years ago because the area web site linked to intergroup instead of district, however, we are wasting money on two separate web sites that have the same information, and groups have to update their info with both. There were concerns about who would have control over the web site and who would own the domain. Vote: 16 in favor, 3 opposed. Minority opinion: DP was concerned that the motion is vague and should include costs. Vote did not change. Resolved: to merge District 14 web site with intergroup web site. RC and/or WM will present written document at next meeting outlining how it will work and include costs.

6<sup>th</sup> Tradition and 6<sup>th</sup> Concept were read by KP. and PC. respectively.

Meeting Adjourned at 7:00 PM. Next district meeting July 11<sup>th</sup>.
