

## Keep it Simple, Smartypants!

I first read the Big Book in a college literature course. We were learning about spiritual conversion experiences, and we read about the founders of AA alongside the founders of the Nation of Islam and the so-called “Mind Cure.” The way the class was set up, it was impossible not to think that AA is just one more religion and should be treated with skepticism.

It was maybe the worst AA introduction an alcoholic could have. I was set up to believe I was better than AA. It was something to be studied, not something a thinking person should accept.

Intellectual arrogance is one of my most serious sins. When I came to AA, I embraced the social and practical aspects of the program, but I kept its spiritual doctrines at a distance. They were just another “theology” to be discussed and critiqued.

As long as I had this attitude, my recovery was stunted. I felt separated from my fellow AAs and their higher powers as they understood them. I lost a sponsor because of my do-it-myself attitude. I didn’t drink, but I wasn’t sober.

It wasn’t until I finally accepted some good advice that things began to change. The advice is built on the principle of “keep it simple.” It was: don’t talk *about* God so much. Instead, talk *to* God. I wasn’t sure I knew God could be talked to, but I talked anyway. I spoke to a God, not of my understanding but, crucially of my ignorance.

Actions in ignorance can be lifesaving. My talking to God in total ignorance led not to knowledge but to something better: hope. Now my faith is revived and I talk with God every day. I don’t worry about Theology. I’ve got something better: God.

# Community News

Greetings all,

My apologies, the January group contributions page was TOTALLY incorrect. January and February contributions are reported in this edition of the POST.

The new edition of the Where-and-When meeting list is in stock at the Intergroup office for 75 cents each. This is the price per copy paid to the printer by Intergroup.

Please help us plan our A.A. World Services order. Please email [gainesville.intergroup@gmail.com](mailto:gainesville.intergroup@gmail.com) well in advance of your need if you would like to order a LARGE number of books or pamphlets. (More than twenty is LARGE and a month is well in advance.) It would be sincerely appreciated.

In grateful service,

A.O. ([gainesville.intergroup@gmail.com](mailto:gainesville.intergroup@gmail.com))

Made a decision to turn our will  
and our lives over to the care of  
God as we understood God.

Step  
3

In step three of AA you are making a decision: it's that simple. You make decisions all day every day, right? Making a decision to turn your will over to God or a "Higher Power" can be just like putting on a new pair of glasses and seeing everything more clearly.

When we've taken steps one and two we have learned and accepted that our lives are unmanageable, we are alcoholics and a power greater than ourselves can restore us to sanity.

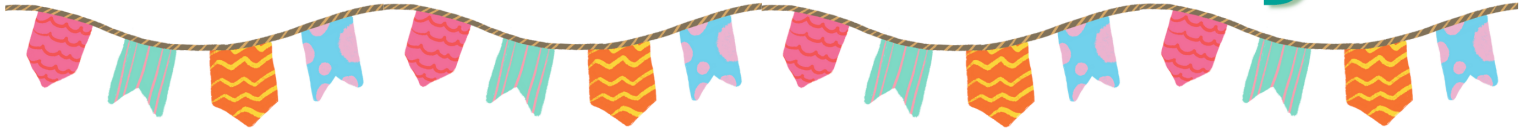

What if we were to surrender the manageability part? We can surrender a lifetime of self-will run amok by making the decision to turn it all over to a Higher Power and allow someone and something to care for us. We can stop wearing ourselves out trying to make and force everything to happen as if we were in charge of everything in the world.

Recovery is a spiritual process and step three is when the doors of hope, faith, and trust are opened allowing us to once again take a deep breath and feel the serenity: a gift of sobriety. The essence of step three is turning over your will, getting out of the way, and being restored to reality, honesty, balance, and peace of mind.

Please consider serving as an Intergroup Home Group representative. One year of sobriety is recommended. Attendance at Intergroup monthly meetings is required.

Also, consider volunteering as an Alternate Phone Chair for Intergroup. The position requires 1 year of sobriety and a working phone. Training is available. If interested, please text E. directly at 352-359-2042.

The Intergroup office can always use more help. Volunteers need a minimum of two year's sobriety. They work at least one shift (3 hours) per month on the Intergroup schedule. Meet new people and be of service. Email A.O. if interested at [gainesville.intergroup@gmail.com](mailto:gainesville.intergroup@gmail.com).

# Tradition 3

The only requirement for  
AA membership is the  
desire to stop drinking.

**Tradition Three (Long Form):** *Our membership ought to include all who suffer from alcoholism. Hence we may refuse none who wish to recover. Nor ought A.A. membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group, they have no other affiliation.*

This tradition seems to create more controversy at the A.A. Group level than any of the other eleven traditions. Sometimes I think the long form of this tradition should be posted (along with our A.A. slogans) for all to see when anyone attends a meeting of A.A.

Bill W., one of our Co-Founders who wrote this tradition probably said it best; "You are an A.A. member if you say so. No matter what you have done, or still will do, you are an A.A. member as long as you say so."

The unique feature of this tradition is that A.A. is probably the most inclusive organization that was ever created. Our Society was inclusive at a time when many of our members could never assemble in the United States. Eventually, the rest world caught up but A.A. is essentially a society within a society. My first A.A. Sponsor (who got sober on March 19, 1966) used to say to me "We don't care if you are from Yale or from Jail, sit down up front and take the cotton out of your ears and stick it in your mouth!"

When a newcomer finally attends an A.A. meeting, I firmly believe they are not sure what their affliction is. If they are a problem drinker it is the members of that A.A. group to find out if they are a real alcoholic. When some of our new members come from drying out spots that may be profit-oriented such as a treatment facility, they are allowed to identify themselves if they think they may have more than one problem. An example of this is when a member introduces themselves as an alcoholic/addict. Essentially all you have to say is that you are an A.A. member and you are really on the road to recovery when you join an A.A. Group.

Many A.A. groups today have integrated into their meeting formats a "Blue Card" that is read at the beginning of each meeting. The "Blue Card" can be used at both open and closed meetings of A.A. The "Blue Card" is essentially a "heads up" that if you share at an A.A. meeting, we can only discuss our problems with alcohol and the disease of Alcoholism.

Our A.A. literature carries our message also. There is a Service piece of A.A. literature titled "Information on Alcoholics Anonymous" which is a valuable tool for anyone new attending A.A. The pamphlet titled "The A.A. Group... Where It All Begins" is probably the most comprehensive pamphlet published by our General Service Office. This pamphlet protects our A.A. message also because it includes our A.A. Traditions and their importance for our society to survive.

## FEBRUARY MEETING MINUTES

Opened with the Serenity Prayer; introductions **Secretary's Report:** Minutes were accepted as read.

**Treasurer's Report:** D. presented his report and also the proposed budget for District 14 for Fiscal Year 2024 which will commence in April of 2024. GSR or their Alternates will vote to approve the new budget at the March 13, 2024 meeting.

**DCM – E.:** Next Area Assembly, April 5-7, in Howie in the Hills at the Mission Inn. On March 17, District 14 will be co-hosting a **Preconference Workshop** with Ocala District 17 at the DAV in Belleview. Fliers: [aanorthflorida.org](http://aanorthflorida.org) check on the **Activities** tab (on the left-hand side) for Area 14. Regarding GSO's request for input about how to respond to proposed changes to the writings of AA's founders, there will be a "sharing" session held at the GSC\* in April. E. encouraged GSRs to either speak to M. at the area assembly or email her with their viewpoints. More information regarding AA GSC\* Agenda Items is expected in the last two weeks of February. E. will forward them to GSRs and Committee Chairpersons immediately upon receiving them.

**ALT DCM:** S. was absent. Handout of Tradition 2 and Concept 2 given to all attendees.

### SERVICE COMMITTEE REPORTS:

**Accessibilities:** S. reports that they are bringing in two new meetings starting in March: **St. Francis House, Fridays at 10:00 am**, and at **Changes Healing House, Tuesdays at 6:00 pm**. If you are willing to bring a meeting to either location once a month, please email S. at [shadesachs@gmail.com](mailto:shadesachs@gmail.com).

**Archives:** **SGW** reported that four members journeyed to Tampa to attend the Dr. Bob's House workshop. Founders Day, June 8<sup>th</sup>. The church has been reserved and planning meetings will start in March. Please send Archives your group histories. Interviews of AA's with 30 or more years of sobriety are needed. B. is working on two at present.

**Corrections:** N Committee has a new member serving the Lancaster Correctional Institute, working with the chaplain to bring meetings into the facility. Meetings also at the Lancaster Work Camp. There are now 6 meetings at the facility. Always need new members to bring meetings into the Alachua County Jail, Lake Butler.

**CPC/CPI: R-** Three new people have joined the committee. The committee reached out to Shands (Liver Transplant Department). Met with an addiction psychiatrist who was interested in having AA pamphlets to hand out to patients and to place in literature racks. Continue to maintain literature racks in libraries. The committee could use help placing literature in racks in the Archer, Newberry, and Waldo libraries. Sent emails to counseling centers at Santa Fe College and UF. Received a reply from a counselor at the UF Counseling Center at UF. The counselor mentioned that they are exploring having an AA meeting on campus. The committee meets via Zoom, on the 2<sup>nd</sup> Thursday of the month. Email [zoom@aagainesville.org](mailto:zoom@aagainesville.org) for the link.

**Grapevine:** B Committee continues to spread the word about the new Grapevine and La Vina (Spanish Language Grapevine) apps. The Grapevine is always in need of stories.

**Treatment:** K reports that the Treatment Committee is doing well. The VA Behavioral Unit (across from Shands) would like us to start bringing a meeting there on Saturday afternoons. If any group wants to cover a meeting, please send a representative to our monthly meeting which meets on the last Thursday of the month at the Triangle Club.

**Website:** T introduced Alternate Webmaster; a small group is working on improving the website.

**Intergroup:** A reported that SGW is the Alt Chair of Intergroup. We need an Alt Chair for the phone answering group. E.'s phone number is 352-359-2042. **Old Business:** Because of a low participation rate in our District 14 Inventory, E. will resubmit to GSRs and we will revisit next District meeting.

**New Business:** (A) Proposed Budget – discussion of increasing funds for CPC/PI (tabled for next month); (B) District needs an Alternate Treasurer within the next few months.

Meeting closed with **Responsibility Statement**

Hi friends!

Did you know that (we have heard from AA members from across Northern Florida), our District has a reputation for strong service? Isn't that great? When AA calls, the GSRs, Committee Chair members, etc., show up! I'm so proud and inspired to be a part of such a grateful and active group of people. Now, having said that, our District has two open positions currently: Alternate Treasurer and Alternate DCM. The sobriety suggestion is 2 years and 4 years respectively. Pray about it, talk to your sponsor, and then come be a part of our service family! We need your help!

The next Area Assembly is April 5-7 in Howie-in-the-Hills. Let your GSR know how you feel about the agenda items to be voted on/discussed in April in New York. Be a part of keeping the AA message strong and available to the sick and suffering alcoholic who desperately needs recovery!

In loving service,

EC, DCM for District 14
